## NMC Booth at MAS-Colorado Convention

The New Masjid Committee set up an informational booth at the recent annual state convention of the Muslim-American Society in Denver. Our purpose was to raise awareness of our project and generate excitement. Almost 400 Colorado Muslims attended the event. We passed out hundreds of brochures and received an overwhelmingly positive response to our project plans. Insh'Allah, Coloradoans will come together and support one another in our efforts to build and strengthen the Colorado Muslim community.
